

Minnesota Workers' Compensation: *Information and Specialized Services*

Minnesota is unique; it makes available to injured employees up to **\$75,000.00*** to acquire an **accessible home or to remodel their existing home** to address their needs resulting from a work-related injury. To obtain this money, the State of Minnesota sets forth specific requirements and procedures that must be followed. **Accessibility Design knows the intricate details of the award process and parameters of the program, as well as the check points and requirements along the way.** Our experience and specialized knowledge of home access, design and construction, architectural, interior, and assistive products, and project management provides the eligible employee, their family, employer and / or insurance company with necessary guidance through the process and numerous steps, from beginning to end, to request the home remodeling award.

Specialized services for this process are:

- Home Access Site Visit
- Gathering Required Information: Medical and Rehabilitation
- Project Coordination with "Key Players"
 - Injured Employee
 - Family Members
 - QRC
 - Attorneys
 - Insurance Companies
 - Case Managers
 - Caregivers
 - Contractors
 - Product Vendors
 - Minnesota State Council on Disability
 - Workers' Compensation Reinsurance Association
 - Department of Labor and Industry
- Design, Product Recommendation, and Drawings/Drafting (as needed)
- Cost Estimates and Bid Gathering
