

THE ECOSYSTEMS MENU

An aerial photograph of a desert landscape. The top half of the image shows a dark, rocky, and pebbly riverbed or dry stream bed. Below this, a wide, shallow, reddish-brown sand dune or sandbar dominates the lower half. The sand has a fine, rippled texture. The overall color palette is earthy, with shades of brown, tan, and grey.

The Ecosystems Menu

\$300 per person

Beverage Pairing \$150 per person

Zero Proof (Non-alcoholic) Beverage Pairing \$130 per person
