

Get COVID-19 Vaccine Info on WhatsApp

Use the chat feature on WhatsApp to find free COVID-19 vaccines near you and more!

[WhatsApp](#) is available for Android and iPhone devices.

How to use My Chat About COVID Vaccines in WhatsApp

- To access My Chat About COVID Vaccines, scan the QR code to the right with your smartphone. Or go to api.whatsapp.com/message/WE4AEYTBTP2M1 on your smartphone's Web browser and click on "continue to chat."
- In your text box, type "hola"
- A menu of options will ask you to type the following number, emoji, or **word in bold**:
 - 1  **FIND** to get nearby vaccination locations using your ZIP code
 - 2  **FREE** to get information about the vaccine and your legal rights
 - 3  **LEARN** to get facts about the COVID-19 vaccines
- You can share the information you get with any of your contacts by pressing  to the right of the text box.

GET A FREE RIDE TO YOUR VACCINATION APPOINTMENT

Ride share apps Uber and Lyft are offering free rides!

Now through July 4, 2021, you can take an Uber or Lyft for free (up to \$25 off each way in an Uber and up to \$15 off each way in a Lyft) between 6 a.m. and 8 p.m. to and from your COVID-19 vaccination appointment.

About My Chat About COVID Vaccines

As part of the [National Month of Action](#) to get most adults in the United States at least one shot of a COVID-19 vaccine by July 4, 2021, the U.S. Department of Health and Human Services collaborated with WhatsApp parent company Facebook, Inc., to launch My Chat About COVID Vaccines to help connect Spanish-speaking users with important information about the vaccines and available resources.
