FEATURES OF THE VENUE

When using 134 as the backdrop for your events, you will have access to the following rooms and amenities:

The Parlor Room

Our parlor room is an exceptionally appointed space for your event. Custom artwork and hand-crafted wood furniture make the space perfect for photos and for your group to relax.

Library/Dining Room

Our dining area is featured inside the library at the front of the hotel. Custom dining furniture easily expands and collapses, creating a dining area that is perfect for your group, or creating an open space for indoor ceremonies and parties.

Gourmet Kitchen

Our kitchen is a wonderful area to gather. Featuring a fully-exposed original brick fireplace, the space is perfect to prepare food, set up catering, and host wine tastings.

Outdoor Private Terrace - "The Auto Haus"

The private terrace at the rear of the property is a multi-functional space that is great for groups. On the terrace is the "Auto Haus Bar", which is a perfect place for bartenders and caterers to serve your group.
