syn·er·gy  
(2 + 2 = 5)

Webster defines synergy as “The interaction of two or more agents or forces so **that their combined effect is greater than the sum of their individual effects.**” Now, starting out a talk with a definition is not my usual attempt at conversation, but I think this definition provides the glue here.

As we move on from what was a tough and challenging 2020, we see that the future is brighter. Hindsight is 20/20. You won't hear me mention 2020 much anymore because we are moving on, we are “Growing Forward.” We at the Center see this growing forward as a great opportunity. An opportunity to come together and an opportunity to serve together. There are few things more special than coming together for a common cause. Serving side by side and building some sweat equity. And when that cause is lifting people up and giving them a better livelihood, that “special” becomes even more special. There is nothing like waking up in the morning and knowing that today I can make a difference in someone's life.

Many of you are already serving others and making an impact in this community. Thank you! For others, the right opportunity just hasn't come along. So, I am appealing to all the difference-makers out there. If the timing just hasn't been right, I hope you will consider this time the right time. Won't you join us? 2 + 2 can equal 5. I knew I was right all along (wink-wink).

### Specific Needs:

Thrift Store Volunteers with flexible hours, or any and all skilled labor (consider Saturdays)

Kitchen Volunteers (dishes, cleaning, food prep)

Dining Room Reopening Volunteers/Greeters

With admiration and appreciation,

*Jimmy*

“Look too far ahead or behind,  
and we risk missing the joy  
intended for here and now.

There's a certain richness in  
today that may never be  
around again.” Joanna Gaines

### Exciting Times Ahead:

Dining Room Grand Reopening on May 5th (Cinco de Mayo)

Thrift Store Open – Mon – Sat 9am – 2pm

Club Yarnell – Geology Field Trip, May 20<sup>th</sup> (Meet at Center,  
9am carpool. Bring water, hat, sunscreen)
