

Mahoney's Bar & Grill

Mr. Kelly Mahoney, Owner/Partner

“On behalf of the entire Mahoney's team, I would like to thank WC Construction, for an exceptional job renovating Suite 100 of 24 Waterway Avenue and transforming it into the flagship location of Mahoney's Texish Bar and Restaurant. “The leadership of you and your staff in guiding the team through job meetings, value engineering, problem solving, scheduling, and budgeting was extremely positive and very professional. Without your expertise and the trust you earned, we would not have met our project schedule or the expectations of our partners.”
