

## DATASHEET

### HAWKEYE VPC – VACUUM PUMP LIGHT

The Hawk Eye VPL (Vacum Pump Light) is a LED light with the same body as the HawkEye VPC (Vacum Pump Camera). This can be fitted to the vacuum pump in the same way as the camera and ensures that the light inside the vacuum pump is adequate for camera monitoring. The LED light is dimmable (0-100%) via a potentiometer on the front of the connection cabinet.

*HawkEye VPL*

*HawkEye VPC and VPL mounted in Stranda Vacuum Pump*

- Compact form factor
- Body and fittings made of stainless steel and food grade POM
- IP68 frontend
- IP67 backend (when gland is tightened)
- Wide beam lens
