GOLF PACKAGE OPTIONS

Course #3 **\$1,000 per foursome**

Testing, but not overpowering, best describes Course No. 3. The layout routes through gentle rolling, wooded terrain and offers a nice blend of lengths and difficulty, requiring a range of shot-making ability. The course features water on seven holes and enough sand to test the accomplished player without punishing the beginner! The perfect mix for an AWI scramble!

Ravines (#2) **\$1,500 per foursome**

Since opening in 1929, Course No. 2 has been a favorite of Cog Hill's regular golfers. The sporty, championship layout is routed through wooded, rolling terrain and challenges golfers with ravines on nearly half of the holes, hence its nickname the "RAVINES." Unique to the course is the closing "19th hole." The challenging par-3 offers a testy putting surface and a memorable end to the day's golf match.

THE PURPOSE

Established in 2013 as a volunteer-led, Chicago-based 501(c)3 Non-Profit Charitable Organization, Weish4Ever honors the memory of Andrew Weishar. In 2012, Andrew passed away at the age of 21 after a three-year battle with cancer. In his final days, Andrew had one simple and selfless request: "Pay forward" the kindness and generosity shown to his family during that fight.

THE MISSION

To fulfill Andrew's wish by providing support and direct financial assistance to families with adolescents or young adults battling cancer. It's simple - we raise as much money as possible and gift it to these deserving families. We are dedicated to bringing moments of joy, easing the financial burden, and offering a temporary escape from the realities of the cancer journey.

THE IMPACT

Since inception, just ten years ago, Weish4Ever has welcomed over 450 beneficiary families to the Weish4Ever Community, granting out over \$2.5 million in financial support. This is all possible thanks to the generosity of many incredible individual donors & businesses, and the growing success of our events such as the Andrew Weishar Invitational and WeishFest.

WHAT WE DO & HOW WE DO IT

The AWI supports Weish4Ever's mission of uplifting adolescent and young adult cancer patients (AYA, ages 15-39). We raise as much money as possible and gift it to these deserving people, a simple mission resulting in an immediate, visible, and powerful impact.

These families are facing the worst moments of their lives as they fight this disease. We are dedicated to offering acts of kindness and generosity, easing the financial burden, and offering a support system that understands the realities of the cancer journey. The organization targets an under-served community of patients facing unique challenges including hiatus from school and/or work, lack of insurance, social isolation, delay of diagnosis, fertility preservation, among many other financial hardships and obstacles. Many of our beneficiaries, while often diagnosed with pediatric cancers, are not afforded the same financial and support-based resources provided to pediatric cancer patients under the age of 18.
