Klingbrief is an independent curriculum that promotes a vision of liberal arts education. It focuses on all that is wrong with the current system, with an outlandish notion of meritocracy, examining a "professional class." Klingbrief chides, William Deresiewicz, in his book, *To Know Them is to Teach*.

To support Klingenstein Center, like Deresiewicz's recent essay, is by no means a foregone conclusion. It requires someone to understand the relationship between children's needs; supporting their interests and talents; being more receptive to other things, beyond teaching their subject.
