Spotlight

Larry Andersen

New Pathways for Good Dads is saddened by the loss of facilitator, Larry Andersen. Larry passed away on March 12, 2022, after a 15 month battle with prostate cancer. Larry was a loving husband to Rhonda and an amazing father to Bethany and Joe.

Larry was a dedicated facilitator for the *Fatherhood Development Curriculum* and the *Within My Reach* program for three years. He willingly volunteered his time teaching or mentoring other men. Larry made himself available to "his guys". He was only a phone call or a text away, and he made time to assist with transportation or just meet up for conversation and a Coke. It brought him great joy to teach and help other men become "Good Dads".

Rest in peace, friend. We will miss you. Thank you for everything you have done for Good Dads and the New Pathways for Good Dads program.

"The lone father is not a strong father. Fathering...is done well with the help of other

men."

-John L. Hart
