

GET INVOLVED

I CAN VOLUNTEER EVERY ONCE IN A WHILE.

Strong Schools

Make a big difference in the lives of elementary school students by becoming a greeter at Strong Schools events once a month or more. You can also help furnish breakfast and prizes for dads and kids who attend.

Celebration Events

We need helpers to for our graduation ceremonies and annual fundraising dinner. We are looking for greeters, ushers and servers to help these events go smoothly.

Don't have the time?

You can still help by financially supporting to the nonprofit. A donation of \$150, for example, covers the cost of meals, class supplies, a T-shirt and a graduation certificate for one dad in our 15-week course.

I CAN COMMIT TO A REGULAR SCHEDULE.

Strong Schools

Great for early risers! Strong Schools Captains commit to leading the before-school program once a month or more at elementary schools in the Ozarks. Retired dads, empty-nesters and grandfathers are ideal for this role. Captains may be trained to teach our Strong Schools course.

New Pathways

We couldn't do it without our New Pathways facilitators! They lead a weekly class for men enrolled in the NPGD program. In some cases, facilitators are paid. We also need folks to help run class, furnish meals, assist with transportation and serve as mentors to the men enrolled in New Pathways.

Community Development

Perfect for big-picture people! Business and community leaders are valuable members of our Board of Directors. Outgoing folks are also well-suited to be networking ambassadors for Good Dads to help us spread the word about our programs, classes and Network Partnership opportunities.
