## School Feedback

### FEEDBACK FROM SURREY SCHOOLS

"Fantastic Fred exceeded our expectations the show was fantastic, the children were engaged and thoroughly enjoyed the performance. Feed back from the staff was positive all expressing how well the information was presented to the children. The booking process was smooth and efficient your whole team was friendly. We would highly recommend this experience to other schools"

"The children absolutely loved the show. They were all talking about it to their parents as they left school in the afternoon. I think the sessions were pitched perfectly for the different ages of children to ensure all children were thoroughly engaged throughout. Thank you so much."

"Absolutely fantastic! The children were really engaged and talking about the assembly for the rest of the day. Having spoken to a couple of parents, they heard all about it too so hopefully the message will embed. The assembly was to start our MH awareness in time for Children's Mental Health Week in February. Thank you so much to all the actors who made the morning so much fun."

"The experience was absolutely incredible. The children were incredibly engaged and the topics were so relevant. The children are still engaging with the lessons they learnt and we would love to run the workshop again next year if the experience was available."

"Thank you for coming to our school - the children thoroughly enjoyed the experience."

"Superb!"

"Very engaging - the team had just the right sense of fun about them without losing control. Perhaps consider the discussion about breakfast foods as images were of broccoli and carrots and lots of children mentioned these as breakfast foods later."

"Excellent show by two very skilled gentlemen"

"I thought it was really well presented but there was a lot of content to cover in a short space of time- a little longer would perhaps be better, in particular for KS2"

"Only saying no to rebooking as the whole school saw it and so wouldn't be relevant to repeat until we had a new cohort unless the content changed."

"We had some lovely feedback from parents, particularly from parents of children who never talk about their school day or assemblies. One ASD child is now brushing his teeth and another eating more healthily"

"Fantastic feedback for children and from parents who have heard about it via their children talking about it non stop!"

"Thank you, it was great and well received by everyone."

"The children loved it. The performance had the right amount of silliness balanced with a clear message about health and wellbeing. Thank you."

"From the children - Fantastic FRED certainly lived up to her name! "

"A parent told me this morning that her son was eager to brush his teeth and get to bed early after having watched Fantastic Fred :)"

"Great experience, thank you."

"I cannot recommend this experience highly enough. All the children across KS1 and 2 thoroughly enjoyed it. I've had multiple teachers come and tell me how fantastic it was too. Well done Team Fantastic FRED. We can't wait to welcome you back."

"Great show - the children were really engaged. When I asked pupils about it a few days later they all remembered the key message and could tell me what FRED stood for and they all said it was fun."

"There was a slight mix up and the team had to stay longer than expected. They were excellent with the children and it made a big impact on our children who experience deliver from actors less than other school (the area in which we are located) Thank you"

"We would be interested in rebooking FF again next year as it's important to reinforce the messages - perhaps there could be a new show...the Return of FF! We ran it for Years 1-6 as we felt the Reception children were a bit too young. We loved the follow-up resources for the children and parents too which have gone down really well. Thank you so much for everything, it's so appreciated."

"Fantastic Fred is an excellent way to reinforce the message of looking after yourself to ensure your mental health and wellbeing is in a positive place - a fabulously presented workshop which was engaging and with a clear message for all children. Thank you very much."

"A thoroughly enjoyable experience for both pupils and staff. The messages were delivered in a child-friendly accessible way that will be memorable for the children."

"Prior knowledge given to parents about the experience and the message."

"Follow up activities or quiz to be sent home or completed at school"

"It was fantastic! Pitched just right - humour and factual"

"The Fantastic FRED Experience was EXCELLENT! The pure look of delight on the children's faces, the laughter and chance to participate was amazing. Please come back next year."

"It was fantastic! Children and teachers loved it and gained so much. Thank you."

"Many thanks"

"Team were friendly and the whole process was really simple to follow. Refreshing to have a pain free process, good resources offered, good follow up materials and it was free! Thank you!"
