Graphs are sweet - picture and bar

All of the kids in the neighborhood voted on their favorite pizza toppings. Their answers are recorded in the table. Use the table to create a picture graph and a bar graph about the kids' favorite toppings.

| Pizza Topping | Number of Kids |
|---------------|----------------|
| Pepperoni | 24 |
| Extra Cheese | 12 |
| Onion | 4 |
| Pineapple | 8 |

Picture Graph: Add a title at the top and the categories on the left. Then, fill in the key and the pictures you need. Go back and look at examples from Part 1 if you need help!
