Smell Eraser

Materials

Instructions

1. Label each cup with the sharpie: Cup A, Cup B
2. In Cup A, put 4 teaspoons ground cinnamon, 4 teaspoons cocoa, 1 teaspoon of water. Stir until spices are well mixed and are all damp
3. In Cup B, put 4 teaspoons of ground cinnamon, 1 teaspoon of water and stir until mixed well.
4. Have your friend/family member describe what each cup smells like
5. Ask them to take 10 sniffs of Cup A, then 10 sniffs of Cup B, then quickly back to Cup A.
6. What does Cup A smell like now?

This is called the “Smell Eraser” Experiment! Why do you think it is titled that?
