Drivers of H1 F22

Retail performance

Maintaining high level of sales, with strong EBIT uplift

Retail sales remain high

- Switch from on-premise purchasing
- Net new stores (24) and renewals (49)
- Premiumisation; and
- New and more personalised offerings

Compared to H1 F21, sales declined slightly as we cycled elevated growth in the prior corresponding period

EBIT margin growth

- More profitable product mix with higher margin new products and growing Pinnacle Drinks demand
- Lower promotional activity in the market; and
- Disciplined cost management within a challenging operating environment

Online sales up significantly (+24.8%) due to expanded customer offering and COVID-19 led demand

Sales **\$5.7b** **-0.6%**

Drivers of H1 F22 Hotels performance

Performance impacted by COVID-19 lockdowns and restrictions

Significant COVID-19 impacts again this half

- Only 30% of total trading days when all hotels were open
- Team members demonstrated resilience and agility in managing through a highly volatile period
- Improvement in Voice of Customer score¹ despite COVID-19 challenged operating environment
- Team member retention and continued investment key to strong reopening performance in NSW and VIC
- Trading in the last 3 weeks of H1 F22 was subdued due to team availability and community concerns around COVID-19 surge

Through COVID-19 disruption we continued to invest:

- 3 hotels were acquired and 22 hotels renewed
- Across our 342 hotels², we now have 2,321 accommodation rooms and 1,376 are operating under our NightCap brand

Sales **\$680m** **+1.9%**

EBIT **\$121m** **-0.8%**

2 Yr Sales decline³ **-26.0%**

Hotels Voice of Customer¹ **8.5/10** **+0.2**

1. Voice of Customer for Hotels is based on external customer online reviews

2. Includes 5 managed clubs

3. 2-year change is calculated as movement between H1 F22 and comparative Equivalent F20 result. Refer to Appendices for further detail on Equivalent F20 results.

Commitment to our imprint

At Endeavour, we're committed to leaving a positive imprint on each other and on the communities we serve. In October, we launched our first Sustainability Strategy and have made good progress in H1 F22:

Responsibility and Community

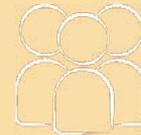

Advocating responsible choices and supporting positive change in our communities

- Created our 'Leading in Responsibility' training
- Partnered with Drinkwise to support their research into the use of low and non-alcoholic options to moderate consumption
- Continued roll out of the 'Family and Domestic Violence Awareness' training for all team members
- Continuous community engagement through our ESG review process
- Building our **Community Advisory Committee** in Darwin. We have appointed a Senior Advisor - Community Engagement and Sustainability to lead this work

People

Championing individuality, human and personal rights

- Prioritised a COVIDSafe environment for team members and customers
- Launched 'Proud at Endeavour'

Planet

Reducing our impact on the planet

- Launched an Australian first Reuse and Recycle national scheme for beer can clips
- Chapel Hill became Sustainable Wine Australia (SWA) Certified. We now have 1 facility that is SWA certified, 1 SWNZ certified and 2 SWA members

Group financial performance

Strong growth in Group Profit after income tax underpinned by growth in Retail EBIT

Other EBIT of (\$26m) (H1 F21 (\$2m))

- Includes corporate costs of operating as a standalone business
- In line with (\$55m) - (\$60m) full year guidance

Lower finance cost:

- Benefiting from lower interest rates on external debt

Retail financial performance

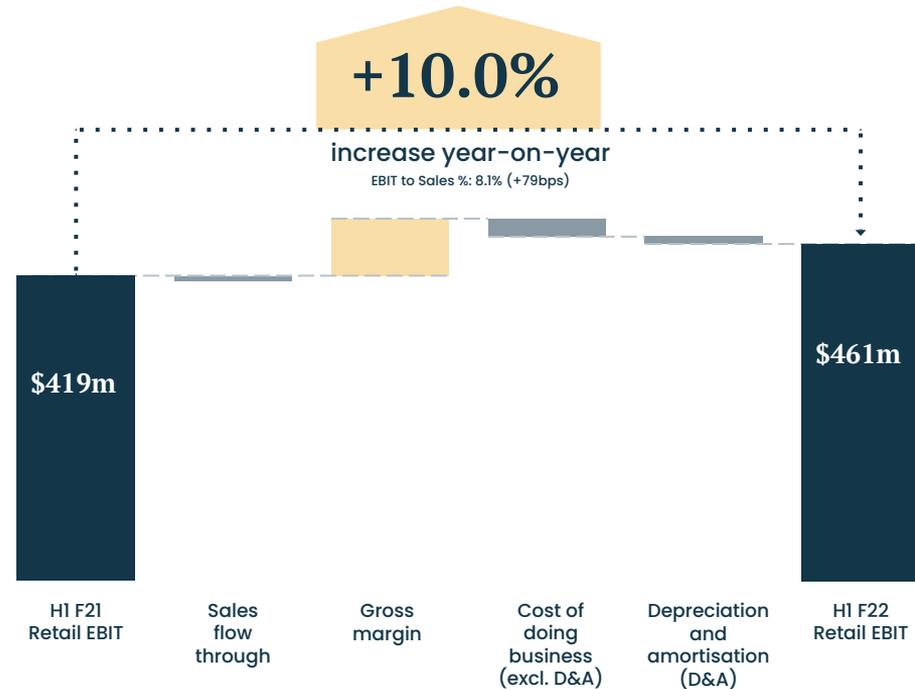

Elevated sales levels continued, 18.4% ahead of H1 F20¹

Strong gross margin:

- Higher margin new products and Pinnacle Drinks demand
- Premiumisation
- Maintained competitive pricing, in less promotion driven market

CODB rate increase of +62bps:

- Continued to invest in store network and digital
- Reset store salaries and wages
- Partially offset through benefits from improved in-store productivity and sustained leverage

1. F20 refers to the Equivalent F20 result; refer to the Appendices for further detail on comparative figures.

Hotels financial performance

Financial outcomes in line with H1 F21 notwithstanding the considerable volatility in the half

- H1 F22 trading still below “normal” due to COVID-19 impacts which impacted both H1 F22 and H1 F21 (Sales +1.9% on H1 F21 and -26.0% on H1 F20¹)

Gross margin 84.4%

- consistent with H1 F21 (84.8%)

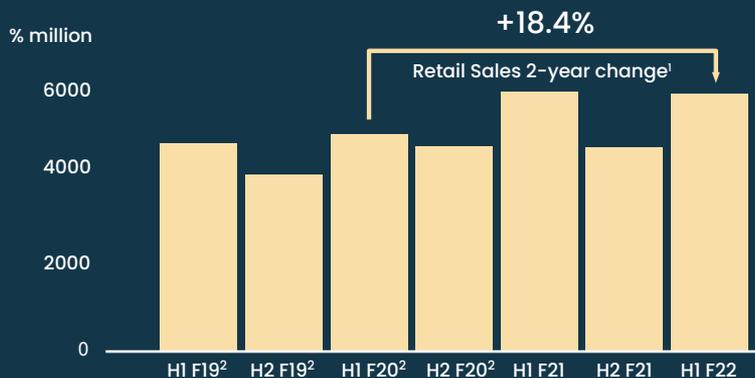

CODB margin 66.6%

- consistent with H1 F21 (66.4%)
- remains higher than pre COVID-19 norms due to deleverage of fixed costs

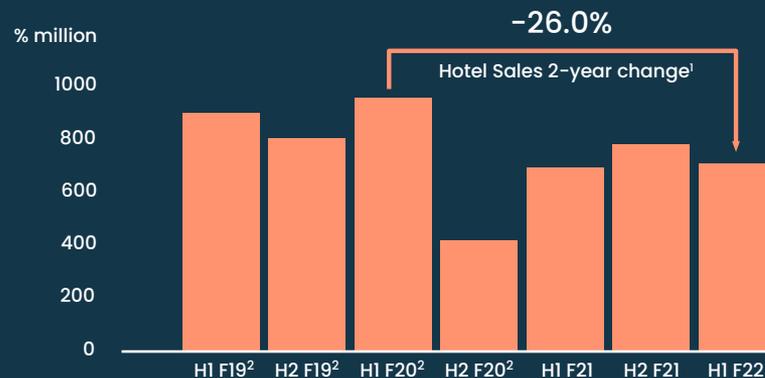

1. F20 refers to the Equivalent F20 result; refer to the Appendices for further detail on comparative figures.

Half-yearly sales track

Retail

- Retail sales grew strongly over two years with significant tailwinds
- Cycling elevated sales in H1 F21
- Historically, Sales are materially weighted to H1

Hotels

- Sales still well down on a two-year basis
- Hotel sales were impacted by closures and restrictions in both H1 F21 and H1 F22
- Resilient operations, rebounding when restrictions eased – though now dealing with new challenges such as team availability

1. 2-year change is calculated as movement between H1 F22 and comparative Equivalent F20 result. Refer to Appendices for further detail on Equivalent F20 results.

2. Sales are based on Equivalent F20 and Equivalent F19 results. Refer to Appendices for further detail on Equivalent results.

Cash and liquidity

CASH GENERATIVE

Strong cash realisation ratio of 161% in H1 F22 reflects the seasonality of cash flow associated with Retail sales in the Christmas period

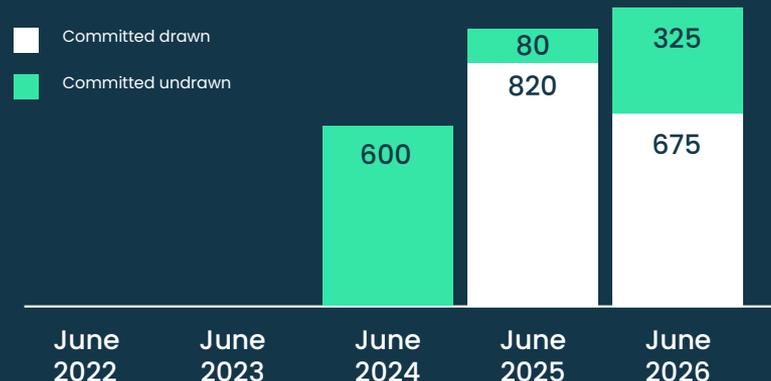

Healthy cash position at end of H1 F22, which includes \$72 million cash proceeds from the sale of investment in ALE Property Group

Trade Working Capital as of 2 January 2022 was \$235 million, \$120 million lower than H1 F21. Key contributor was lower inventory levels, partly due to supply shortages and strong Christmas trade

LONG TERM DEBT FACILITIES IN PLACE

- Net debt \$667m at end of H1 F22
- Repayment of \$225 million in January (post balance date)
- Committed undrawn debt facilities of \$1b¹ plus material cash balances

Debt maturity profile (\$ million)

1. As at 2 January 2022

Capital allocation

Strong free cash flow deployed in line with our disciplined capital allocation priorities

1

Target outcomes consistent with investment grade credit metrics

└ Leverage ratio¹ of 3.1x

2

Solid shareholder dividend distributions

└ 12.5c interim dividend per share at a 71.9% payout ratio

3

Capex prioritised to deliver a balance of short and long-term returns

└ H1 F22 Capex of \$150m

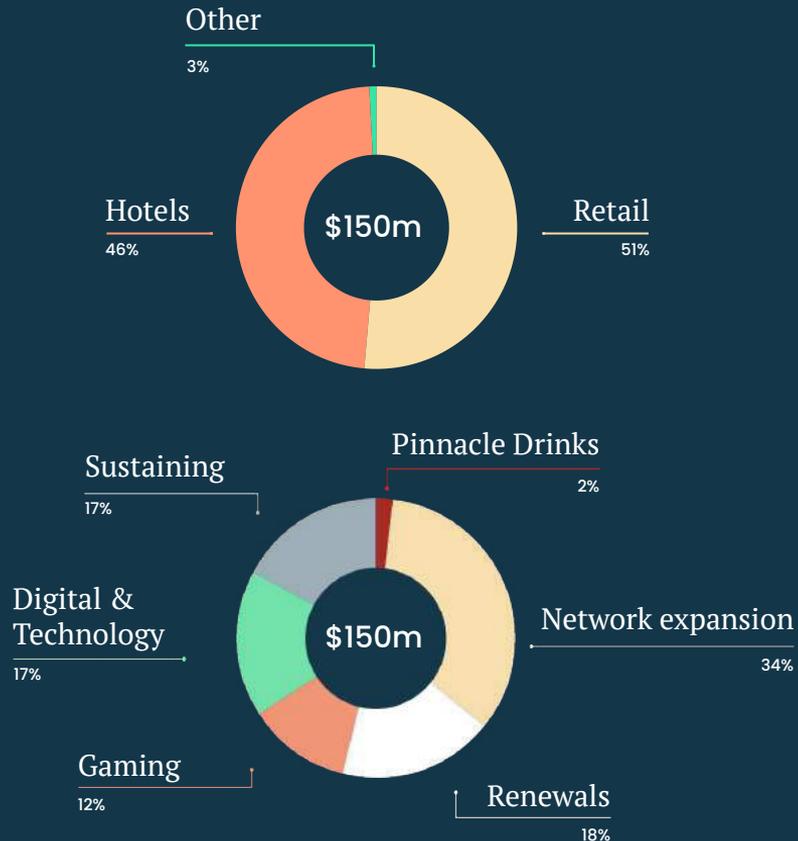

4

Disciplined approach to organic and inorganic investments

└ Acquisition of 3 hotels and net additional 24 retail stores opened

We continued to invest in growth options including hotel and retail store acquisitions and renewals, digital capacity and product innovation to lift overall Group financial returns

Capital expenditure

Focus of H1 F22 investments

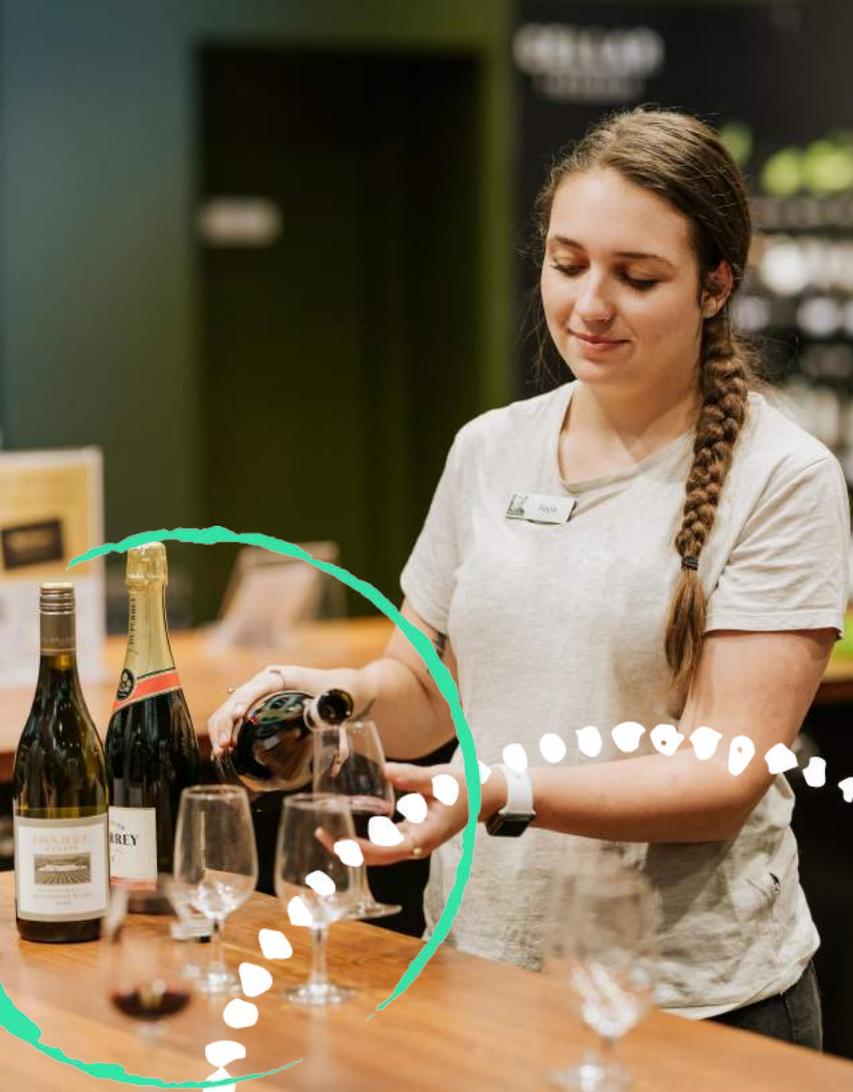

Expanding and enhancing our network

- Renewed 22 hotels and 49 retail stores
- 30 new stores and 3 hotels
- 2 hotels acquired post balance date

Growing digital capability and engagement

- Increased investment in digital and technology

H2 F22 Priorities & Outlook

Steve Donohue
Chief Executive Officer

Operational context and H2 F22

First 6 weeks trading

JUL – MID OCT

MID OCT – EARLY DEC

MID DEC – FEB

Widespread lockdown & extensive restrictions

- The most significant Hotel closures were in NSW and VIC which extended for all of Q1 F22
- ~ 40% hotels were closed and various trading restrictions were in place across the country
- Strong Retail performance from increased at-home consumption
- Retail online penetration 11.5% (Q1 F22)

Initial reopening in NSW & VIC

- Hotels in NSW reopened, with restrictions in place, on 11 Oct and VIC reopened from 29 Oct
- Trading quickly returned, but still below pre-COVID-19 due to ongoing restrictions
- Hotel sales in QLD, WA and SA in growth on pre-COVID-19 levels
- Premiumisation, increasing personalisation and online growth continue to support Retail
- Retail online penetration 9.9% (Q2 F22)

Omicron – Living with COVID-19

- Hotels trading weakened again in the last three weeks of December as Omicron started to impact
- Retail performed strongly over the key Christmas and NYE trade weeks

H2 F22 first six weeks – softer trading environment in both segments due to initial Omicron impacts

	vs F21	vs F20 ¹
Retail	-2.0%	+12.2%
Hotels	-2.9%	-12.7%
Group	-2.1%	+8.0%

1. F20 information refers to the Equivalent F20 result. Refer to Appendices for further detail on Equivalent F20 result.

Priorities for H2 F22

Continue to manage and respond to COVID-19 impacts

Commence work on our technology transition roadmap

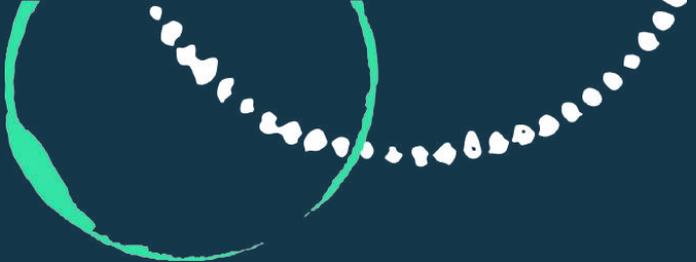

Accelerate our digital and data led transformation

Unlock further property opportunities in new sites, network renewal and redevelopments

Continue to activate our Endeavour culture, purpose and sustainability ambitions

In summary

Robust H1 F22 financial results

Resilient business and adaptable team

Strong margin performance in Retail

Hotel performance impacted by COVID-19 lockdowns and restrictions

Disciplined CODB management

Investing for the future

Expanding and renewing Retail and Hotel networks

Investing in endeavourX to enhance customer insights, digital capabilities and offerings

Continuing to innovate, premiumise and expand our Pinnacle Drinks portfolio

Continued volatility

Omicron surge is creating new challenges with continued volatility expected in H2 F22

Appendices

Current market dynamics

Tailwinds

- In-home consumption continuing to support Retail sales
- Digital investments driving strong growth in online retail
- Premiumisation, moderation and craft trends continuing
- Reduced consumer spending on international travel and duty free drinks supportive for Retail business
- Reduced promotional activity during COVID-19 impacted periods
- Normalisation of hotels trading environment as restrictions ease

Headwinds

- Cycling retail trading highs that surged from March 2020 and continued through F21
- Deleverage of Retail fixed cost base as sales normalise
- Risk of increased competitive intensity as operating environment normalises
- Emergence of input cost inflation
- Interest rate increases predicted

COVID-19

- Continuing COVID-19 related trading restrictions and reduced patronage in Hotels
- Additional costs across the Group associated with ensuring customer and team safety
- Supply chain constraints impacting operational performance and product availability in both Hotels and Retail
- Labour shortage and team availability constraints

EQUIVALENT F20 AND EQUIVALENT F19 INFORMATION

Woolworths' Drinks and Hotels businesses were only transferred to, and merged with, Endeavour Group Limited (Endeavour Group) on 2 February 2020 (Restructure) and 4 February 2020 (Merger), respectively. Prior to this only the results of Endeavour Group Limited, previously known as Pinnacle Liquor Group Pty Limited, were included in the Endeavour Group results.

To enhance comparability of profit or loss information between reporting periods, an Equivalent F20 and an Equivalent F19 financial information are referenced in this document.

- **Equivalent F20 Financial Information** relates to the results of what was previously known as Woolworths' Drinks and Hotels businesses for the full 52-week period ended 28 June 2020, rather than only after the Restructure and Merger. This information has been sourced from the data used in the F20 Woolworths Group Limited Annual Report, adjusted to exclude consolidation adjustments not applicable to Endeavour Group on a standalone basis.
- **Equivalent F19 Financial Information** relates to the results of what was previously known as Woolworths' Drinks and Hotels businesses for the full 53-week period ended 30 June 2019. This information has been sourced from the F19 restated data used in the F20 Woolworths Group Limited Annual Report, adjusted to exclude consolidation adjustments not applicable to Endeavour Group on a standalone basis.
