What are my obligations?

When applying for your policy, you must take reasonable care to answer the questions you are asked honestly and carefully.

— You must take all reasonable steps to avoid or reduce any loss (for example, you should use your EHIC card if you have one and you receive hospital treatment in a participating country).

— If you make a claim, you must provide documents and other evidence that we need to deal with your claim, and follow the claims procedure set out in the policy.

— You must pay back any amount you are not entitled to (for example, if we pay your claim for lost luggage but the airline then finds and returns your luggage to you).

When does the cover start and end?

The effective date of the contract is The Master Policy Period that is the period of time beginning on the Effective Date and ending on the Termination Date indicated on the Master Policy Declaration provided upon purchase.

Cover starts once you leave your home/resident country (or at the start of the policy period if you have purchased after you have left your resident country) and ends when you return to your home country or at the end of the period of cover as shown on your certificate of insurance, whichever is earlier. If you cancel the policy before it lapses it will end at that date.

When and how do I pay?

Premiums must be paid in full when purchasing the insurance. Payment can be made by credit or debit card. Payment includes membership services that are additional from the insurance premium.
