**PIZZA, SUBS
& MORE!**

PICCADILLY CIRCUS PIZZA®

is all about fresh dough, fresh sauce and fresh ideas. Our pizzas are made from crust proofed on site, sauce that is never frozen and proprietary ingredients. On top of our carryout and slice pizza program, Piccadilly Circus Pizza® also includes breakfast offerings, sandwiches, subs, wings and chicken tenders. Our menus always stay current by mixing in new and innovative flavors to appeal to new buyers. Create a community foodservice destination in your store by joining the Fresh Revolution.
