2018 SENTIENCE

We utilize both destemmed and whole cluster fermentations for our Syrah, which provides increased depth of flavor and texture. Vinous brambly blackberry, blueberry, dusty wet river rocks, notions of dried thyme, and faraway vanilla beans come out of the glass. With a little time, this well-preserved wine opens up with aromas of red plum and raspberry, rock salt and a bit of lavender. Sturdy tannins are immediately apparent in the mouth, with a pleasant crunch and a pronounced depth, supported by plush and concentrated inky phenolics that guide the experience well out to the finish.

2018 MOONRAKER

The Moonraker is a modern red blend, with Grenache providing the cornerstone and Syrah, Tempranillo, and Mourvedre providing additional structure and personality. It showcases the complexity that is possible by combining these classic varieties. Fresh and pleasantly herbed aromas of red pluots, raspberries, tart cherries, white pepper, fennel seed, and ripe watermelon rind. Lead by acid as much as tannin, a fresh and flowing energy moves through the mouth with effortless persistence. On the palate, we find ripe earthy red currants and wild blueberries that evolve into a long and satisfying finish.
