STATIONERY LIST

Adult Matric Curriculum

2024

Equipment to ensure success in an online learning environment:

Please note that the following equipment and tools are essential to ensure you create and set up a successful online learning environment at home.

A laptop or desktop computer with at least:

- 2.0 GHz processor
- Minimum of 4GB of RAM or higher.
- A webcam
- A built-in or external microphone

(**Please note** that a tablet or mobile phone may not have the necessary capabilities to access all the features on our learning platform and making use of a desktop or laptop device is highly recommended)

An Internet connection with a minimum:

- 10 Mbps download speed
 - 1 Mbps upload speed
- (Schoolwork per learner will require approximately 50 gigs of data per month)

An internet browser

- Our recommendation is Google Chrome

Access to a smartphone

- Must have access to a camera and access to download an app for scanning purposes of documents and assessments. The recommended application is CamScanner.

A printer may be required at times

General Stationery

We recommend:

- Blue and black pens
- HB pencil/s
- Sharpener
- Eraser
- Scissors
- Ruler
- Exam pad(s)
- At minimum a 96-page softcover book for each subject.
(Recommended for doing exercises and taking notes.)

Subject-specific requirements

Along with general stationery, some subjects require additional stationery or resources. These are summarised in the tables below and the accompanying book list.
