

Play Golf & Change Lives!

You can change lives of children, youth and adults in Arkansas who need help from people like you to overcome mental health challenges and create pathways to success. Every year, people from almost every county in Arkansas come to the Centers for Youth and Families for healing programs that range from psychiatric residential care to outpatient counseling. Children and youth in residential care at The Centers may be in foster care, survivors from being trafficked, struggling with suicidal ideation or substance abuse, stepping down from acute care or in need of more care than can be provided in outpatient counseling. Every

day, we are home to 82 boys and girls in Little Rock and 26 boys and girls at the Southeast Residential Center in Monticello. We have the largest Therapeutic Foster Care program in the state, with 60 families caring for 75 children every month. We are a national resource center and residential healing program for survivors of human trafficking. School-aged youth and adults benefit from our day treatment and outpatient care. Your gift changes lives of people in need in your community.

You are invited to sponsor the 31st Annual Centers Classic Golf Tournament on Monday, October 10, 2022

at Pleasant Valley Country Club. Be part of this special Columbus Day tradition that includes breakfast, lunch, snacks, awards reception, raffle, the best weather, team photos and having fun while doing good!
