

Transactions (zipForm Edition)

The most convenient and secure way to pay earnest money—digitally.

Earnnest is the largest digital earnest money service in the United States, allowing your homebuyers to deposit funds directly to an escrow holder.

How it works

Request digital earnest payments from anywhere, at any time using Earnnest, which can be accessed directly inside Transactions (zipForm Edition). The process is simple.

1. Log in to your Transactions (zipForm Edition) account at zipformplus.com.
2. Click **Send Earnnest Request** inside an active transaction.
3. Fill in the payment details.
4. Click **Request** to submit your earnest money request.
5. Your homebuyer will receive the request for payment in their email.
6. Once they complete the payment a receipt will automatically upload inside your transaction.

To the right is a 'Submit for review' button. Below the tabs is a 'Property Summary' section with a dropdown arrow and a 'Send Earnnest Request' button circled in green. The form contains the following fields:
