Digital earnest money deposits made easy.

SASJC REALTORS trusts Earnnest to bring you secure, easy, digital earnest money payments.

Secure: Eliminate check fraud and wire fraud by choosing secure digital payments.

Convenient: Make your job easier and save your homebuyer time—no more driving checks around.

Private: Earnnest never stores your homebuyer's private information.

How it works

The screenshot shows the Paragon MLS interface. The top navigation bar includes options like 'Checked', 'All', 'Email', 'Share', 'Save', 'Print', 'Export', 'Customize', 'Correction', 'Actions', and 'More'. The main content area is divided into two sections. The left section shows a property detail view for '100 Egret Circle, St Augustine, FL 32086' with a price of '\$330,000'. The right section shows a list view of properties with columns for 'Picture', 'MLS#', 'Status', 'Subdivision', 'Area', 'Type', 'Price', 'Address', 'City', 'Beds', and 'Baths'. A green arrow points from the 'Actions' plug in the list view to the 'Request Earnest Money' option in the property detail view.

1. Log in to **Paragon**.

2. Click the **Actions Plug**.

You can access the Actions Plug in two ways:

- either from the property's detail view
- or from the MLS list view

3. Select **Request Earnest Money**.

4. Log in to **Earnnest** + complete the form.

5. Click **Request**. Easy!

Getting started with digital payments

Earnnest is the largest digital earnest money network in the United States. Your favorite escrow holder may already be in Earnnest's network. If you don't see them listed, you can invite them to start accepting digital earnest money at earnnest.com/invite-escrow-holder. If you or your organization hold escrow, you can self register your escrow company at earnnest.com/self-registration.
