# I PLEDGE

to turn off the water while brushing my teeth.

Did You Know...

Turning off the tap when you brush your teeth saves 7 gallons of water, or 2,555 gallons every year! Thanks for pledging to turn off the water when you're brushing.

Visit *www.mcswd.org* for more information about our education and outreach programs.

I PLEDGE

to purchase items with less packaging.

Did You Know...

40% of all solid waste is packaging material! That's two pounds per person every day. You can do your part by using a lunchbox and a reusable bottle.

Visit *www.mcswd.org* for more information about our education and outreach programs.

I PLEDGE

to improve
my recycling
habits.

Did You Know...

28% of all solid waste is recyclable paper and paperboard. Thank you for pledging to improve your recycling habits!

Visit *www.mcswd.org* for more information about our education and outreach programs.

I PLEDGE

to drink water from a reusable bottle.

Did You Know...

Filling up at the tap instead of buying bottled water can save $475 per person every year. That's almost $2,000 for a family of four every year, so don't forget to drink tap water!

Visit *www.mcswd.org* for more information about our education and outreach programs.

I PLEDGE

to volunteer in a neighborhood cleanup.

Did You Know...

Cleaning up litter reduces water pollution and protects fish and wildlife. An average neighborhood cleanup removes 925 pounds of litter from the environment, so sign up for one today!

I PLEDGE

to turn off lights when I leave an empty room.
Did You Know...

About 10 percent of your family's energy bill is spent on lighting your home. Turning off lights is an easy way to save energy and money. Thanks for pledging to turn lights off when you leave an empty room!

Visit *www.mcswd.org* for more information about our education and outreach programs.
