

Welcome to Beelow's. My family has lived in Lake County since the early 1920's. I have lived on the same farm all my life. I used to do chores in the morning and go to school smelling like pigs, so they gave me the nickname "Piggy". That was long ago! Before Beelow's, I was trucking dirt in the housing market and after the downturn I needed a new career. Knowing a lot about meat, cooking and making dad's meat from the local hunt taste amazing I knew that would be my new passion. My family and I opened Beelow's in 2010 using beef from the family farm and loving it every day. Really, I love serving quality food to quality people and I hope to be here for many more years. **YOU CAN DO ANYTHING YOU PUT YOUR MIND TO.**

Cheers, Dan Beelow

The Illinois Department of Public Health advises that eating raw or undercooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under the age of four, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such foods reduces the risk of illness.
