

Unique Biotech Limited

Role: PPIC Executive

Job description

This is a full-time on-site role for a PPIC Executive located in Hyderabad. The PPIC Executive will be responsible for the planning, production control, and inventory control processes, under the supervision of the Planning Manager. The PPIC Executive will also handle documentation, ensure material availability, maintain inventory levels, and deliver on-time, accurate information to all stakeholders, among other duties.

Qualifications

- Bachelor's degree or higher in Engineering or a related field. A Master's degree in Business Administration (MBA) is a plus.
- 3+ years of experience in a production planning, inventory management, or operations management role.
- Excellent knowledge of SAP, MS Excel, and other production planning software.
- Demonstrated expertise in production scheduling, capacity planning, lead-time optimization, and material requirements planning.
- Experience in regulatory affairs, quality control, and audits in the pharmaceutical, food, or dietary supplement industry is a plus.
- Strong analytical and problem-solving skills, attention to detail, and effective communication skills.
- Ability to work independently and deliver under pressure in a fast-paced and dynamic environment.

Note: Looking for immediate joiners

About Us
