

CHISOS

Good Afternoon,

Thank you for providing feedback on Chisos at some point during the previous few months. This is the first monthly update email that will go out to the **Chisos Mentor Network**.

The Chisos Mentor Network is an ecosystem of individuals and resources to help Chisos entrepreneurs build their businesses and to help Chisos grow. By growing the Mentor Network we increase the odds of finding the right connection or resource that can help an entrepreneur's business move forward. There are **no requirements** to remain a member and you can opt-out any time.

As a network mentor you will **receive monthly update emails** regarding the Chisos Network. These emails include updates on the Chisos entrepreneurs and their businesses, updates on Chisos as a company, and ways to help. If you can help in any way it would be greatly appreciated, but there are no requirements to do so.
