Introducing 32DAO

Formed with the vision of buying 32 Bored Ape Yacht Club NFTs and disrupting the NFT space.

First DAO (Decentralized Autonomous Organization) project to enter the NFT space with its core goal of buying 32 BAYC NFTs for the community...

The team is building innovative tools and services for the community to be able to monitor, analyse and make data driven decisions on the Ethereum NFT Ecosystem.

32DAO will be a groundbreaking history in the books of Web3 and Decentralization by forming a community to raise an amount to buy 32 BAYC NFTs.

A community governed project created by a bunch of passionated tech- and market oriented human beings, strong believers in a decentralized world...

32DAO Membership Pass

A 32DAO Membership Pass is the only way for you to own a part of 32 BAYC NFTs and shape the future of the project with us.

32DAO Ecosystem

The Secret Community Order

32Radar

Is a NFT tracking platform that allows you to uncover trending NFTs, get live floor price/volume in real-time and history on any collection, wallet, or mint.

Nano

With Nano you will be able to snipe any token contract address before it gets shared with the community which makes the investment a low-risk high-reward investment.

EagleEye

Have you always been interested in being able to snipe NFT launches and take the shortcut? Well, this is where it all begins.

Bored Apes

The BAYC NFT project has grown massively last year since its launch on April 23rd, 2021. 35+ celebrities, venture capitals, and more have purchased one or multiple BAYC NFT(s).
