Nitro-Serv[®]

Environmental Nitrogen

“I Saved money and time by never changing a cylinder again!”

- ✓ Hands Free
- ✓ Increased Safety
- ✓ High Purity (99.9% N₂)
- ✓ Eliminates Nitrogen Cylinder Run Outs, Ordering and Handling!
- ✓ Direct Replacement for Dangerous and Expensive High Pressure Tanks

Did you know that:

An average size restaurant in Seattle, WA using nitrogen cylinders would need to plant **386 trees per year** to remain carbon neutral?!

The same customer would only need to plant **2 trees per year** using Environmental Nitrogen[®]
