**Holiday
Gift Guide**

2021

Hi, there!

Thanks for checking out our inaugural Saltbox Holiday Gift Guide! We hope this helps you find the perfect gift for everyone on your list and maybe even something unexpected for yourself!

The Saltbox Holiday Gift Guide is unique because it features our members – merchants and artisans operating out of Saltbox locations around the United States.

We strive to empower every entrepreneur, no matter their size, to start, grow, and scale their business from the ground up. Our members include movers and shakers from a wide range of industries, and we are proud that half of all Saltbox member companies are led by women or people of color, groups that have traditionally been underrepresented in entrepreneurship.

We invite you to check out our guide and shop Saltbox to support local businesses this holiday season!
