

Wanderer Speaks Initial Contact and Information Form

This form serves the purpose of collecting information to allow us to get to know the artist in an effort to ensure that Wanderer Speaks will be beneficial to them and that the artist is interested in reaching the same goals as the agency. The artist is not required to provide any information he/she/they does/do not wish, but should understand that without all of this information, the agency will be hindered in its ability to ensure that the right steps will be taken while considering the artist. Each artist should email this questionnaire and his/her/their curricula vitae and samples of work for review and consideration to admin@wsunited.org. If more space than is provided is required for a response, use the blank space at the end of the form.
