

ONLINE TRAINING (LAUNCHES 1 SEPT)

FIRST COURSES AVAILABLE

DATA PROTECTION FOR STAFF

DATA PROTECTION
FOR GOVERNORS

E-SAFETY FOR STAFF

PRICE - £2.50 STAFF MEMBER
FOR EACH COURSE

Simple

The courses use a simple web based system with an easy user interface.

Key Knowledge

All courses give staff important information to support their roles.

Certification

Upon completing the course, staff will receive a CPD Certificate.

Staff Centric

The course takes 25 minutes to complete and can be done in school or at home.

HOW IT WORKS

Completing the courses could not be simpler. After you have indicated how many staff you want to complete the courses, you will be given a link. Staff register their details (email and password) and then complete the course which takes about 25 minutes. Each course is interactive and includes key information and activities to support their learning. At the end of the course, they can print off a certificate to include in their CPD file.

About Tim Pinto (The E-Safety Office)

Tim Pinto has worked in education for over 25 years. This has included working in schools, FE and as a lecturer at Sheffield Hallam University. He has also worked as eSafeguarding Manager for Yorkshire Humber Grid For Learning working as part of the compliance team. Tim now runs the eSafety Office and has delivered over 100 CPD courses on a wide variety of areas including online safety, data protection and safeguarding.
