

Manor House Collection

Zendoors' Manor House Collection gives your home a truly unique look and feel with a large combination of window and door styles. These doors convey the richness of exquisite handmade carpentry, yet offer a time proven resistance to weather over conventional garage doors.

Why choose the Manor House Collection by zendoors?

High Durability and Longevity

Material resistance to wear and tear. Does not warp, rot, scratch, or dent.

Composite Material Product

Exterior grade engineered-wood panel, wood stile, and galvanized pre-finished steel rail construction.

Short Lead Times

Manufactured locally for quick turnaround and just-in-time supply.

Customizable

Custom designs available to compliment architectural elements.

Insulation Options

Available in both non-insulated (R-2.50) and insulated (vinyl backed polystyrene R-7.50) construction options.
