

2022 CIMT Annual Meeting

Mainz/Germany, May 10-12, 2022
Europe's Cancer Immunotherapy Meeting

POSTER AND ORAL PRESENTATION GUIDELINES

All accepted abstracts will be presented as posters during the meeting. From all accepted abstracts, authors of highly rated abstracts will be invited to deliver oral short talk presentations of their submitted work in addition to their poster presentation. Abstract presenters will be notified by email. If abstract authors do not receive a short talk invitation, then their abstract has not been selected by the abstract review committee.

If an abstract is not accepted for poster presentation, the presenter may request a full refund of the registration fee by contacting congress@cimt.eu. However, if your abstract is accepted but not selected for a short talk presentation, this policy does not apply.

All accepted abstracts will be published online approximately one week before the meeting. The abstracts will also be published in the program book and the CIMT2022 conference app, which will be available during the conference.

POSTER DISPLAY

Abstract authors will receive their conference abstract number and their poster session schedule together with their abstract presentation notification.

- Each poster will have 1 meter (**width**) by 1.5 meter (**height**) of space available for display.
- There is no poster printing facility on site
Poster boards will be numbered.
- Posters shall be hung on the day of the scheduled poster presentation.
