Notes to Financial Statements

December 31, 2019

1. Purpose of the Organization

The Provincial Sport Organizations Council ("PSO Council") operating as SPORT4ONTARIO is a non-profit organization that coordinates activities common to and in the interests of provincial sport organizations and multi-sport organization in the Province of Ontario.

The Provincial Sport Organizations Council was incorporated by Letters Patent dated October 27, 1998 as a tax exempt entity. The Organization is to be carried on without pecuniary gain to its members and any profits or other accretions shall be used in promoting its objectives.

The organization received its initial net assets from Sport Ontario, which was dissolved as a corporation in November 1997.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following accounting policies:

a) Basis of Presentation

The financial statements of the Organization reflect the assets, liabilities, revenues and expenses of the operations of the organization.

b) Revenue Recognition

The Organization follows the deferral method of accounting for grants. Grants are recognized as revenue in the year in which the related expenses are incurred. Program fees are recognized as revenue when the programs are held. Investment income includes interest income, realized investment gains and losses, and where applicable, charges for other than temporary impairment of investments.

c) Donated Services

The organization benefits greatly from donated services in the form of volunteer work to assist The provincial Sport Organizations Council in carrying out its service delivery activities. Because of the difficulty in determining their fair value, donated services are not recognized in the financial statements.

d) Fund Accounting

The corporation follows the restricted fund method of accounting

The general fund reports the revenues and expenditures of the general operations.

e) Use of Estimates

The preparation of these financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the amount reported in the financial statements and accompanying notes. In the opinion of management, these financial statements reflect, within reasonable limits of materiality, all adjustments necessary to present fairly the results for the years presented. Actual results could differ from these estimates. Assumptions are used in estimating the collectability of accounts receivable, accrued liabilities and deferred revenue.

3. Financial Instruments

Unless otherwise noted, it is management's opinion that the Organization is not exposed to significant interest rate, currency or credit risks arising from its financial instruments.
