

The Changing Rooms

Cromer Tennis and Squash Club Safeguarding Policy of the CLTSA

Please be aware of the following:

- The changing rooms are used by all members and visitors.
- Whenever possible adults must avoid changing or showering at the same time as children. (However parents must realise that with limited changing room space there will be occasions when adults and children may need to share these facilities.)
- Where a parent/carer does not wish their child to access the changing rooms whilst others are using them, it is their responsibility to supervise the child while in the changing rooms or ensure that they do not use them.
- There are also toilets in the Club house
