Dear Brother & Sister Supervisors,

I'm writing to you in regards to our bi-weekly dues. As you know, your membership dues fund the essential operations that enable us to provide you and your families with excellent representation every day. From legal services to our benefits and our contract negotiations, your dues enable the SSSA to meet its financial obligations and to serve you and your fellow members.

As you may recall, at a general membership meeting held several years ago, SSSA members voted to increase our bi-weekly dues by fifty cents, per pay period, to mitigate the increased costs of our operations. Last year, however, due to a miscommunication with the Transit Authority, the Transit Authority did not make the monthly dues deductions and we were only alerted of this issue very recently.

Therefore, beginning in January, the dues deduction will be increased to \$1.00 per pay period to make up for last year's loss of dues revenue.

I have always been 100% transparent as your president and felt it was important to explain to you why the difference of \$1.00 will be apparent in your paychecks beginning in January 2023. In January 2024, the dues increase will return to its regular rate of fifty cents per pay period.

If you have any questions, please feel free to contact me directly at the union office at 718-858-2113.

Have a happy and safe holiday season and all the best in the New Year.

In Solidarity,

Michael Carrube
President
