

DRESS CODE

We believe students are powerful and capable of changing the world. At One School, our students will be solving real world problems and working with professionals in business, ministry and nonprofits and the dress code ensures students are presenting themselves respectfully and with professionalism. The uniform is also a key component of our school that fosters a sense of community, it helps us visualize that we are all on the same team!

Students that violate the dress code will meet with a building administrator to discuss the violation and may be asked to borrow used uniform items to dress appropriately for the remainder of the school day. Repeated violations may result in a parent meeting, potential loss of student privileges and further consequences.

NOTE: Last year as our first year as One School, we allowed GCA wear to be worn as part of the dress code. These items will no longer be considered uniform wear.

P.E. DRESS CODE

We require a P.E. dress code so that students have an optimum experience and are ready for active movement in our Physical Education class. By wearing a P.E. uniform, students will be able to move freely without regard to damaging their school uniform.

Students in grades K-8 will be expected to wear their P.E. uniform on P.E. class days. The schedule of P.E. class will be communicated to parents by the classroom teacher.

This year, students in upper grades will NOT be changing for PE and should wear clothes they can move in and participate in PE on PE days.
