

eBook Reader QuickStart

1. Download the eBook Reader application from the above link.
 - a. The application downloads a file called: **InstalReader.exe**.
 - b. Navigate to this file on your computer and double-click on it.
 - c. Click 'Run' on the security screen that displays and the applications starts to install.
2. Install the eBook Reader.
 - a. Follow all the on-screen instructions and install to the default locations.
3. Run the eBook Reader.
 - a. Click on the desktop short cut that was created during the installation process.
 - b. The eBook reader will open but will have no eBooks installed.
4. Install eBooks
 - a. With the eBook reader open click on the import books button, the import eBooks screen displays.
 - b. You can install using your licence code entering your licence code (READ-...) and press [Submit].
 - c. Press [Download Selected] then [Install All].
 - d. Click on the book cover to unlock it. Enter your licence code (READ-...) again.
 - e. NOTE: eBooks can be purchased by contacting sales@witherbvys.com or your chart agent. You are issued a licence code when you purchase one or more eBooks.

The eBook is ready for use.

NOTE: if you are installing from a disk, such as Seamanship Library, there will be eBooks included in the install - these will have to be unlocked before they can be used. The licence codes to unlock eBooks can be purchased by contacting sales@witherbvys.com or your chart agent

System Requirements

Note: Standalone eBooks are supplied with 1 licence + 1 backup and are not transferable between platforms.

- Windows XP SP2/SP3 / Windows Vista / Windows 7 / Windows 8, 8.1, 8.1 update (except RT Tablets) / Windows 10 Operating System (32 bits or 64 bits)/ Windows 11 Operating System.
- Microsoft .NET Framework 2.0, 3.0 or 3.5 (preinstalled in Vista/Windows 7, otherwise installed by the program). You can check the framework(s) installed on your PC using the [following](#) utility.
- Hard Disc space required by the program: approximately 100 MB.
- Hard Disc space required by each eBook: approximately 1 MB to 50 MB depending on the content (average size = 5 MB)
- Minimum 1024x 768 resolution.

The eBook Reader software is available as a download or on USB. If using physical media, the computer must have a USB drive but only to install the program.

IMPORTANT NOTE: Remote Desktop Services (Terminal Services) and virtual environments are *not supported*.

Network eBooks run from a shared network folder on an Intranet. To obtain a network eBook Reader disc (the network version is not available for download), please contact Witherby Publishing. Remote Desktop Services (Terminal Services) and virtual environments are *not supported*.
