Camp Hours

Session A: 9:30am-12:00pm (PST)
Session B: 1:00pm-3:30pm (PST)

All Things Zoom

* You should have received your child's Zoom link, meeting id & password for camp in your confirmation email after registering. Please let us know if you do not have it!

- We highly encourage you to set your Zoom account name to be either your name or your child's name to match the name listed on your registration. This is for safety and it expedites the check-in process.
- We also recommend that families sign up for a free Zoom account, as this can make the process easier.
- If you are using a tablet or phone you will need to use the Zoom Meeting ID and password in your confirmation email *(Additionally, you must have access to a laptop for Minecraft and Roblox curriculum).

Check-in Process

We bring in campers on a rolling basis, so don't worry if you are waiting a little bit, we'll get your kiddo into camp as quickly as possible.
A Glimpse at the First Day of Camp
Welcome to the first day of your Camp EDMO Online! Campers will be invited into their online classroom on Monday with a warm welcome and opening activity. Campers will spend some time getting to know each other and their camp leader while playing a few games. We will then move into an overview of the week and set some group norms before jumping into our learning for the day. We feel it is important to take this time on Monday to set the culture and vibe of camp so all campers feel welcome and supported.

Thursday is Dress-Up Day!! Below is a list of dress-up day themes by week.
