Commercial and residential use.

Landscaping and flower beds.

Shipping:

FOB Manufacturer

ADVANTAGES:

- **Reduces** unwanted bug and rodent infestation.
- Does not attract ants or other damaging insects.
- Will not **fade, rot or compress**
- **Allows** water and nutrients to pass directly to the soil unlike wood mulch.
- Low **maintenance** and **prevents** weed growth.
- **Rubber** mulch mimics the appearance of natural wood mulch, without the drawbacks.
- **Aesthetically** it looks great and is perfect for home and commercial use.
- Made from **100% Recycled Rubber** tires.
