Essential Glutathione contains the body’s most powerful antioxidant proven to help combat oxidative stress and aid immune function.

**PRIMARY USES**
- Immune Support
- Natural Antioxidant
- Correct glutathione deficiency
- Protection from oxidative stress
- Natural detoxification

**QUICK FACTS**
- Glutathione is the body’s research-proven powerhouse antioxidant shown to play a major role in immune function by balancing out oxidative stress and acting as a detoxifier.
- Safely sourced from the amino acids glutamine, cysteine and glycine in a citrate effervescent matrix.
- Utilizes a special citrus carrier and effervescent delivery system to combat oxidative stress and deliver antioxidants at the cellular level.
- Glutathione deficiency is increasingly recognized as a risk factor in coronary artery disease, asthma, neurodegenerative disorders, cognitive-behavioral problems, and various types of cancer.
- Glutathione protects against damage to cell membrane proteins.

**WHY THIS SUPPLEMENT?**
Your doctor has placed you in good hands. Optimal Health Systems cares about patients, too, which is why we create supplements that contain nutrients ONLY from whole foods. Because of this, you won’t have the same concerns as with synthetics. They are lab-tested and have a wealth of evidence to back our claims, along with patents.

**WHAT SETS US APART?**
There are plenty of whole food supplements out there, but only Optimal Health Systems takes it a step further with its pre-digestion process we call **Opti-Blend™**. It utilizes a combination of 10 kosher-certified, non-GMO enzymes, and patented organic minerals to pre-digest every nutrient before encapsulating. **Opti-Blend™** ensures delivery at the cellular level and up to a 300% increase in absorption.

**Essential Glutathione** uses a special tripeptide that is delivered cellularly through an effervescent Citric Matrix.*
