

Optimal Chronic™

OPTIMAL-CHRONIC™

Do not live any longer with constant headaches, aching joints, or recurring pain from an old injury. Cure it with nutrients that support actual repair and healing.

QUICK FACTS

- This formula was created based on amazing research on nutrients proven to repair discs and damaged tissue.
- Yucca is the most researched and proven herb for joint pain.
- Manganese helps regenerate discs.
- Glucosamine sulfate and chondroitin sulfate are better than other nutrients at helping with chronic inflammation.
- Chronic pain from bursitis, osteoarthritis, rheumatoid arthritis, and even disc degeneration have all been shown to respond well to our ingredients.

EXTRA INFO

Individuals who experience ongoing pain and discomfort know that masking the symptoms is not the solution.

Taking anti-inflammatories provide temporary fixes but the pain always comes back worse than before.

Where Health Comes Naturally

OPTIMAL - CHRONIC™

WHY THIS SUPPLEMENT?

Your doctor has placed you in good hands. Optimal Health Systems cares about patients, too, which is why we create supplements that contain nutrients ONLY from whole foods. Because of this, you won't have the same concerns as with synthetics. They are lab-tested and have a wealth of evidence to back our claims, along with patents.

WHAT SETS US APART?

There are plenty of whole food supplements out there, but only Optimal Health Systems takes it a step further with its patented predigestion process we call **Opti-Blend™**. It utilizes a combination of 10 kosher-certified, non-GMO enzymes, and patented organic minerals to predigest every nutrient before encapsulating. **Opti-Blend™** ensures delivery at the cellular level and up to a 300% increase in absorption.
