

Optimal Opti-Nitric™

Optimal Opti-Nitric™

The most advanced formula combining L-arginine, ornithine, and citrulline to boost nitric oxide levels. Reverse deficiencies and dramatically improve your cardiovascular and overall health.

QUICK FACTS

- Stimulates growth hormone for anti-aging benefits.
- Counters heart disease and aids in blood pressure regulation.
- Improves insulin sensitivity to help normalize blood sugar.
- Bolsters the immune system, boosts energy, and increases lean muscle.
- Promotes reproductive health and can serve as a natural alternative for Viagra.
- Increases fertility and pleasure sensation in women.
- This is NOT hormones or testosterone.

MORE INFO

Opti-Nitric™ uses select amino acids that turn into nitric oxide, which in turn helps keep arteries and blood vessels flexible and active.

Columbia University refers to L-arginine as the “magic bullet” for the cardiovascular system.

Where Health Comes Naturally

OPTIMAL OPTI-NITRIC™

WHY THIS SUPPLEMENT?

Your doctor has placed you in good hands. Optimal Health Systems cares about patients, too, which is why we create supplements that contain nutrients ONLY from whole foods. Because of this, you won't have the same concerns as with synthetics. They are lab-tested and have a wealth of evidence to back our claims, along with patents.

WHAT SETS US APART?

There are plenty of whole food supplements out there, but only Optimal Health Systems takes it a step further with its patented pre-digestion process we call **Opti-Blend™**. It utilizes a combination of 10 kosher-certified, non-GMO enzymes, and patented organic minerals to pre-digest every nutrient before encapsulating. **Opti-Blend™** ensures delivery at the cellular level and up to a 300% increase in absorption.

Supplement Facts

Amount Per Serving	% Daily Value
Amino Acid Blend:	2,100 mg *
A-AKG (arginine alpha-ketoglutarate), OKG (ornithine alpha-ketoglutarate), L-GKG (L-glutamine alpha-ketoglutarate), A-KIC (arginine ketoisocaproate) and L-citrulline	

*Daily Value not established.

Other Ingredients:

Celluloses and plant derived magnesium stearate.

Recommended Use: As a dietary supplement, take 2 capsules twice daily or as recommended by a health professional.

NOTE: Professional formula used for patients and athletes needing to nutritionally support the increase of nitric oxide for cardiovascular and performance needs.

If over the age of 30:

for best results, combine *Optimal Opti-Nitric* with *Optimal Fruit & Veggie PLUS*.
