

### **Something Extra Special....**

For many, our historic chapel, Swede Bend, has special memories. If walls could talk, we know the little white chapel would tell countless stories of God at work in human hearts. Some have been married there. Some have sung loudly unto the Lord on a Sunday morning. Some have sought quiet time and found it peaceful. From summer staff to family reunions, Swede Bend evokes memories for thousands who have been at TLCC.

One wintry day, we captured what turned out to be a beautiful photo of Swede Bend. With an added “touch” from Urban Wings Artography, we are offering a beautiful and meaningful keepsake.
