Winchester Marafun – Sunday 25th September 2022

NOTICE OF ROAD CLOSURES

Dear Resident,

We are ReesLeisure the Event Organisers for the Winchester Marafun which will be taking place on **Sunday 25th September 2022.**

This is the sixth year we have hosted the Winchester Marafun, with an estimated 3000 runners taking part on the day. The event will feature a half marathon route and a new 10K route which will take in the spectacular scenery around Winchester and a children's fun run in the city centre.

We have been in extensive talks with the City Council and Hampshire Highways to make sure that the day runs as smoothly as possible and to minimise disruptions, with even further communication having been sent out to improve from the previous years.

The race will involve **road closures and rolling road closures around the city between 8am and 2.00pm on Sunday 25th September**. It is likely that traffic will be heavier around the city centre area so it will be advisable to plan and allow extra time for your journey.

As we are using rolling road closures, the below roads will be closed whilst there are runners on the road and the closures will be lifted as quickly as possible following the last runners. Please allow for potential delays to your journey during the planned road closure times.

Road Closures in your area:

Romsey Road
Romsey Road will be closed **Southbund** from 08:30-11:00, from its junction with St James Lane to its junction with Saurm Road. The road will still be open **Northbound** but we ask drivers to please be considerate of runners on the road.

Stanmore Lane
Stanmore Lane will be closed across its full length between 08:00-11:00, please try to plan your journey around these times to ensure that you are not delayed by the road closures. Marshals in this area will allow residential access when it is safe to do so with the runners, as well as offering advice on the best route out of the area.

St Cross Road
St Cross Road will be closed **Northbound** from 09:30-13:00 between its junction with the A3090 Badger Farm Road and its junction with Lower Stanmore Lane.
