HOW IT’S IMPLEMENTED

+ 9th graders used the belonging toolkit.
+ This was a great way for them to connect with their peers without knowing anyone.
+ 10th graders started with a few belonging activities and moved to purpose activities.
+ Students used physical toolkits and did some things virtually.
+ 11th graders used purpose for community building.
+ They were trying to build community and welcome routines.
+ Flextech used Wayfinder to do checkins with teachers.
+ 12th graders reflected on their old toolkits.
+ They used Wayfinder to have 1 on 1 conversations with teachers about plans after high school.

TRAINING

Initially had six teachers trained in 2017. Now four more teachers are trained to use Wayfinder.

TIMELINE

Flextech began in 2017 with the purpose toolkits. Now they have expanded to using the purpose and belonging toolkits. Currently, Wayfinder is taught in every grade.

“Project Wayfinder is such an amazing platform for allowing students to not only grow as individuals, but to also find connections in ways they hadn’t imagined.”

Kim Olson

“How would you describe Wayfinder?”

“Students have the freedom to find new perspectives.”
