

Blue Skies Flight Training (BSFT) Cancellation Policy:

FAILURE TO COMPLY WITH THIS CANCELLATION POLICY WILL RESULT IN TERMINATION IF YOU ARE A FLIGHT INSTRUCTOR AND EXPULSION IF YOU ARE A STUDENT OR RENTER PILOT.

1. If you cannot make a scheduled flight, please cancel the reservation on Flight Schedule Pro AND call your instructor (if scheduled with an instructor) at least **TWENTY-FOUR (24) HOURS in advance.**

Prepayment is required for all introductory flights. Payment will be taken at the time of purchasing a gift certificate and/or scheduling the flight. Intro flights cancelled for weather or maintenance will be rescheduled; no shows or cancellations within 24 hours will result in **forfeiture** of the **\$125.**

2. Generally, your instructor will call you **ONE (1) HOUR IN ADVANCE** of your scheduled flight time to cancel if the weather conditions are not within the safety margins provided in the Blue Skies Safety Procedures document. If you have not heard from your instructor **ONE HOUR** prior to the flight and suspect inclement weather or if the weather is outside your comfort level, it is your responsibility to verify with the instructor if your lesson is or is not cancelled. Do not assume your flight is cancelled and then fail to show up. Conversely, do not waste your own time and show up at the airport without checking the weather and contacting your instructor if you suspect the weather may be bad.

3. No shows will be charged the following:

Discovery/ Intro Flights- Forfeiture of prepaid **\$125 intro fee.**

Students & Renters- A minimum of **ONE HOUR aircraft rental (\$160/hr.)** AND a minimum of **ONE HOUR instructor time (\$50/hr. if an instructor was booked with the reservation),** for a total of **\$210** in the blue aircraft N20464 if dual or **\$160** if no instructor.

A no show includes cancelling with less than 24 hours notice as well as failing to show up for a scheduled flight without any communication with the instructor and/or the operator Matt Cole.

4. No show charges will **NOT** be assessed for those who in good faith cancel a flight inside of 24 hours for any of the IMSAFE or PAVE ADM reasons (Illness, Medication, Stress, Alcohol, Fatigue, Emotion; Pilot, Aircraft, enVironment, External pressures) by cancelling the flight with an explanation in the comments section on Flight Schedule Pro **AND** by contacting the instructor via call or text. A no show with no call, text or email, however, is unacceptable at any time and will be assessed the applicable no-show fees. **These fees will only be taken one time. The next no show will result in expulsion from the flight school.**
