terms and conditions

Placing an Order

Please confirm that you have gathered all required information prior to placing your order. Specify all items by their product number, along with the quantity, finish color, tagging information and all other specifications necessary to fully define your order. If your project has a Halcon Quote Number, it must be referenced on your purchase order to ensure timely order processing. Purchase orders should be submitted electronically to halcon@halconfurniture.com.

Prices and Terms

All prices are list, freight prepaid, FOB Stewartville, Minnesota. HALCON pricing includes packing for North American shipment. Prices do not include crating, storage, shipping, delivery, installation or taxes. Payment terms based on credit approval and project scope. HALCON reserves the right to make changes to price without prior notice.

Halcon Corporation will apply a 1 1/2% late charge per month (18% APR) on past due balances. In the event suit is necessary to enforce collection, Purchaser agrees to pay a reasonable attorney fee and any court costs incurred. All taxes or other charges will be added to the price and itemized or invoiced separately. Purchaser shall pay any tax (including sales tax), duty, custom, inspection fee or any other fee or charge imposed on, in connection with or measured by the transaction between Seller and Purchaser in addition to the prices quoted or invoiced.

Order Acknowledgment

All orders and subsequent change orders must be in writing. HALCON Corporation will issue a written acknowledgment; customers should verify the acknowledgment for accuracy. The acknowledgment is the final agreement between HALCON and the customer. The price list identifies the information that must be noted on the purchase order. Any omission may result in the delay of processing your order. All Quotations, Acknowledgments, and Invoices are subject to corrections for errors or omissions.

Changes and Cancellations

Requests for changes or cancellations of acknowledged orders must be made in writing and will only be approved by mutual agreement. A minimum 25% change/cancellation charge will apply.

Freight Term

All merchandise is shipped FOB factory, Stewartville, Minnesota. All shipments are made according to the purchaser's instructions, or what in HALCON's judgement is the best way if instructions are not received, and at the purchaser's risk. All orders are acknowledged with an approximate shipping date. Shipping charges are prepaid (within the continental United States).

Claim

HALCON is not responsible for damage to merchandise which occurs in transit or storage. It is the customer's responsibility to examine furniture upon receipt and note any damage in transit on the carrier's delivery receipt. The carrier should be notified by the buyer to inspect the merchandise, and file a claim immediately. If visible damage is not apparent, sign the delivery receipt 'NO VISIBLE DAMAGE'. This will allow recourse for a concealed damage claim.

Delivery

All orders are acknowledged with an approximate shipping date. HALCON's liability ends when the carrier issues a receipt to HALCON Corporation, which is an acknowledgment by transportation company that the shipment has been received by the freight company in good condition.

Visible Damage

All visible damage or any shortages must be noted on the carrier receipt and signed by the delivering driver. Do not sign the receipt until the visual inspection is complete at the time of delivery.

Concealed Damage

All cartons must be opened and inspected prior to signing the bill of lading. Damage which is not apparent until merchandise is unpacked, will only be recognized if HALCON is contacted within 72 hours of receipt of goods. Any claims against HALCON for defects, errors or shortages must be made by the customer in writing within 72 hours of the delivery date. Failure of the customer to make any claim against HALCON within the 72 hour period shall constitute acceptance of the merchandise and a waiver of defects, errors or shortages. Damaged freight cannot be refused by the consignee (buyer).

Request an Immediate Inspection

Keep all packing materials pending inspection
Do not move merchandise from the receiving area

Repair Authorization

Prior written approval is required for repairs of merchandise charged to HALCON. Failure to do so will result in customer funded repairs.

Storage

If shipment of completed merchandise is postponed by the customer, HALCON reserves the right to transfer the merchandise to storage, all at the customer's risk and expense. Such transfer to storage shall be deemed delivery to the customer for all purposes, including invoicing.

Warranty

HALCON merchandise is manufactured in accordance with the highest standards of design and manufacture, and is warranted to be free from defects in material and workmanship for a period of ten years from date of delivery (with the exception of electronic and communication components which are warranted for one year), under normal use and under conditions for which the product was designed. During this warranty period, HALCON will repair, or at its own option, replace, such merchandise as shall prove to be defective. This warranty applies only to the original purchaser. The warranty does not apply to damage resulting from accident, alteration, misuse, tampering, negligence or abuse. Warranty does not extend to personal or residential purchases. Fabrics are in no way warranted by HALCON. This warranty does not extend to color, grain, or texture of natural materials such as wood, marble or leather, because of naturally occurring variations. HALCON does not warrant matching of color grain or texture, except as specified in the order confirmation. All other warranties (including any warranty of merchantability or fitness for any particular purpose) are hereby excluded. The foregoing shall constitute HALCON's sole warranty and exclusive remedy of customer.

Wall Mounted Cabinets

All wall mounted cabinets and shelves include a separate wall cleat that is sized to support the cabinet but does not include wall cleat attachment hardware. The structural capacity of the support wall and the anchoring of the cleat to the wall are beyond the control and expertise of HALCON. It is, therefore, understood by all parties involved that it is the responsibility of the buyer, owner and/or installer to consult with the building owner, architect, interior designer, structural engineer and/or contractor to ensure that the supporting wall structure and cleat attachment method will support the size and weight of the specific cabinet selected from the HALCON price list.

Miscellaneous

All products shown in the HALCON catalog are, and remain, the property of HALCON, and HALCON reserves the exclusive right to manufacture the models shown. All dimensions and weights shown are to be considered approximate. HALCON reserves the right to make changes in dimensions, design and/or construction without prior notice.

storage overview

The modular nature and residential details of the HALO credenza can accommodate a wide range of storage options, and can be configured to meet any need. HALO Credenza comes in three standard depths (18", 21", 24"), and can be specified with thoughtfully designed modules for glass, cutlery, refrigeration and more. These modular credenzas can be mixed and matched with HALO benches and tables, and range in height from 23.5" to 40".

ordering procedure

- ① 4H credenza case
- ② 1H metal credenza base
- ③ 4H triple trash module
- ④ 1H box drawer
- ⑤ 2H open cabinet
- ⑥ 2H large box drawer
- ⑦ 3H refrigerator
- ⑧ 1H box drawer
- ⑨ Optional Glass Top

Ordering Procedure/Options -

Please include the product number and option codes in sequence as follows:

1. credenza case
2. credenza storage modules
3. optional items
4. credenza base

Wood Finishes

HALCON offers a broad array of Wood veneer species and finishes. In order to fully specify Wood finish products, HALCON utilizes a two-code system. The first code indicates the veneer species and cut that is used on the product. The second code indicates the finish that is applied to the veneer. (Ex. CHFC, CH11S4 indicates Flat Cut Cherry veneer with a Light Cherry finish.) To specify product in a Wood finish,

first select the veneer species and then select a corresponding finish offered in that veneer species.

HALCON also specializes in custom veneers and finish matches. There is a one-time charge of 400 List to match a finish sample. Please contact the HALCON factory for pricing on special veneer selections.
