BRANDING MOCKUPS TO LEVEL UP YOUR PRESENTATION

FULL SHOP

Thank you for purchasing this resource!

Guide

Follow these steps to get started

1. **Open the .psd file with Photoshop**
(minimum version required: CC).
2. **Doubleclick on the smart layer thumbnail to open the smart object. This layer is marked in red and is named [DOUBLE CLICK TO EDIT].**
3. **Inside the .psb file that popped up you'll see a placeholder design used for demonstration. Hide or delete the placeholder, then drag & drop your own design in place.**
4. **Hit Save (Cmd/Ctrl+S) and close the window, The changes will apply in the main PSD file.**
