It all started 40 years ago when a Vietnamese family left their native country and travelled across the world, in search of adventure and a better life. The journey was long and at times difficult, but one thing bonded them as a family and reminded them of their homeland; cooking.

Cooking was a passion, family recipes were passed down from generation to generation. Which brings us to the present, four generations on and the family recipes have become a success in bringing you the best, authentic Vietnamese Cuisine - Vietnamese Street Kitchen.
